Buiness Card:	\$ 50

Legacy Sponsorship In the name of your love one:

Website: Full Year starting September: \$250 - You may provide a photo with your desired text.

Program:

Full Page: \$150

Why Sponsor Us?

L'HARMOINIE DE LACHINE

Performing live music the our local community since 1910!

In the early 1900's until the late 1970's our band was not only a concert band but a marching band. The band has continued to evolve through the years guided by a volunteer executive committee voted in by the band members yearly.

The goal of bringing together local amature musicians of all ages who will comit to weekly rehearsals and to personal practice time in order to bring the joy of live music to the local community.

Our people are involved: Our band would not survive without the precious help of volunteers. All of our musician members are volunteers. Over and beyond the call of duty, many musicians double up by giving a helping hand to the band by working on the executive committee, driving members to rehearsals, providing refreshments and organizing oppurnities to practice and improve our amature musical skills.

We are committed to bring people together and have their lives enriched by listening and playing music. Part of this committement is having our own rehearsal space provided by the City of Lachine. We have some large instruments on loan and unlike other Montreal bands the Harmonie has invested in the idea of having no membership fees.

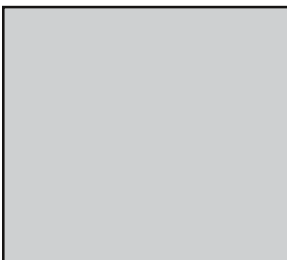

Music Lovers Group: L'Harmonie de Lachine is an organization where we welcome our *Music Lovers Group* to sit in on our rehearsals and see how a concert band brings it's music from practice to performance.

Our conductor is Mr. Kerry Roebuck

Equally passionate about classical, latin and calypso music, this born and bred Trinbagonian launched from the hot and humid shores of the Caribbean, rode the camionetas in Venezuela, indulged in the Oktoberfests in Ontario and landed on a 20-foot mound of snow in Montreal. Armed with training from The Royal Schools of Music in England, El Sistema in Venezuela, and Canadian Bachelor and Master's programs, Mr. Roebuck takes students, professional musicians and audiences on enchanting journeys through the bore of his clarinet and off the tip of his baton.

Mr. Roebuck's recent projects include conducting the music for the film LOUIS CYR (2013), completing his degree in music education at McGill in May 2015, as well as producing music with FibiiMedia on the Canadian release of the animated series Jack the Explorer and The Jar Dwellers with Montreal audiovisual and new media production artist Tim Rideout. Mr. Roebuck is very excited to be part of this wonderful ensemble and looks forward to building on its history and diverse repertoire.
